EXPERIENCE

Growth Marketing Specialist, Nexus Games

09/2025-Present

- Owned brand identity, audience lifecycle retention, and the B2B partnership sales cycle for an educational gaming platform across organic social, email, and community channels
- Conducted market research with 1200 users, influencing brand positioning, pricing, and product features
- Launched collegiate marketing and game development internships; scaled to 125+ interns at Forbes 500 colleges

Digital Content Creator, NALCAP

10/2024-06/2025

- Produced 80+ short-form videos across Instagram and TikTok, driving 160K+ cumulative impressions and 10K+ organic audience engagements
- Grew the core Instagram audience by 18% (from 8K to 9.5K), matching target demographic trends with high-retention content structures

Academic Programs Assistant, UC Santa Barbara

01/2023-08/2024

- Facilitated the program admissions, planning, and execution stages of the competitive pre-college summer research programs (<10% acceptance rate)
- Led virtual webinars and scripted promotional video campaigns, scaling the recruitment pipeline to 5,000+ global applicants
- Managed end-to-end program logistics, including weekly email digests and feedback survey analysis to iterate on core program components

Paid Media Intern, Power Digital Marketing

01/2024-05/2024

- Provided production support for 8 clients and contributed to routine account optimizations to maximize ROAS
- Analyzed performance metrics and conducted data pulls from Bing Ads/Google Ads, providing actionable insights for weekly and monthly reporting
- Developed a growth marketing strategy for the Google Search, Display, Performance Max, and YouTube campaigns of a prominent skincare brand

Research Assistant, UC Santa Barbara (Spatial Cognition Lab)

01/2023-12/2023

- Conducted advanced spatial cognition and behavioral assessments with human subjects using SteamVR to provide empirical datasets for the optimization of navigation systems

Public Relations Coordinator, UC Santa Barbara

06/2022-06/2023

- Directed the publicity and marketing of the A.S. Community Affairs Board, including a full website rebrand and centralized student communications, driving an estimated 20% growth in Instagram following (from 1.4K to 1.7K)

EDUCATION

Psychological and Brain Sciences (B.S), UC Santa Barbara

09/2021-06/2024

- Cumulative GPA: 3.73 (Dean's Honors)
- Involvement: Women in Business, Society of Undergraduate Psychologists, Associated Students
